About Navon Jobs

Navon Jobs is a foreign workforce recruitment and placement company for employers in the international market, aiming to connect human potential to business power and needs on a global scale.

 <https://navonjobs.com>

8 recruitment countries
+5000 placed employees
+100 satisfied customers

About Navon Jobs

Navon Jobs started operating in Romania, serving Romanian employers who needed Asian labour for their companies.

Our team successfully integrated the best candidates for Romanian businesses from Sri Lanka, Nepal, Vietnam, Pakistan, Sudan, Brazil, India, and Bangladesh.

Work sectors such as agriculture, food delivery, construction, hospitality, food industry and many more were served by Asian workers.

About Navon Jobs

Navon Jobs has recruited more than 5000 foreign workers since the beginning of the activity.

Workers upon arrival in Romania

We take care of all the necessary documents for bringing the workers to the country, meet them at the airport and introduce them to the country's culture.

Many Asian workers recruited by Navon Jobs now work in Romania in factories, bakeries, construction sites, and the country's giant hypermarkets.

Our mission

- Bring creative solutions to the international business sector and help with employment shortages.

Our vision

- We aim to become a Global market leader and partner in innovative workforce solutions and services by helping the international market grow.

What defines us

100% Viable solutions

To fulfill our mission of providing viable solutions for the labor market in Romania, we decided to recruit Asian and foreign staff from countries such as Sri Lanka, Pakistan, Nepal, Vietnam, India, Bangladesh, Sudan and Brazil. All our candidates are chosen after a rigorous and professional selection process to which future employers also contribute during live interviews.

What defines us

Quality Guarantee

The listing and selection process is one of the critical milestones of our business. We do candidate quality assurance to ensure that all candidates are the right fit based on the required skills.

Because we are committed to being part of your success story, our staff is trained and experienced to ensure that customer concerns are taken seriously and addressed fairly.

Why us?

Selection of candidates

The selection process is one of the key milestones of our business. We ensure the quality and suitability of candidates, with consistent standards and professionalism, depending on the required skills.

Professionalism

We provide the best service while maintaining professionalism, ethical business practices, and prompt communication.

Why us?

Criminal record check

We use top credit checking agencies to complete criminal background checks on all our candidates.

Recruitment efficiency

We have an efficient recruitment system, all to ensure that our client's requirements are met with the utmost rigour in the shortest possible time.

CEO

"I represent Navon Jobs, a company dedicated to recruiting Asian workers who serve all businesses needing labor. We aim to be the next world leader in innovative workforce solutions as we have extensive experience recruiting Asian workers and solving the lack of labor in Romania.

Everything we do at Navon Jobs is based on professionalism and quality. We offer the most modern recruitment system developed and updated to ensure that our client's requirements are met quickly, with the utmost strictness.

At Navon Jobs, we review CVs, conduct interviews, and verify police authorizations, skills assessments, and travel documentation.

We have the knowledge and experience to discover dedicated, honest, reliable, and hard-working staff for various companies.

We want to distinguish ourselves by offering our valued customers the most competent outsourcing services. We continue to provide the best customer service, professional values, ethics, and integrity.

We hope to establish long-term beneficial business relationships with your enterprise."

Georgiana Mart – CEO & Founder
